## FORUM ONE

International forum on personal, professional and business leadership

Forum One is the **MUST ATTEND** leadership event for every single Business Leader and Manager in Eastern Europe during 2013, and it will take place on 1–2 June in Kaunas, Lithuania.

We are proud to announce that our Keynote Speaker for 2013 will be Sir Richard Branson: Author, Philanthropist, Serial Entrepreneur and founder of the Virgin Group.

Today's global business environment is relatively unstable and this is creating significant challenges in all areas of life and business. The business leaders of today have to constantly adapt to the new rules and find the ways and means to move forward and stay ahead.

Financial management, neuro-linguistic programming, personal development, and discovery of new markets – experts in each field will share their knowledge and experience. For the first time ever they will all come together in one forum – Forum One.

Forum One is an exceptional event, during which billionaire Sir Richard Branson, the best financial coach in Europe Bodo Schafer, and other recognised leaders will inspire you:

- Not to wait for opportunities but rather to create them
- To accept the most ambitious challenges and not to stop halfway
- To make every new day of your life even more meaningful
- Simply become THE ONE

## KEYNOTE SPEAKERS

### SIR RICHARD BRANSON (Great Britain) Founder of Virgin Group

Hippie Capitalist, Extreme Businessman, Knight of the Great Ideas, Wild Success Entrepreneur – these are but a few of the picturesque labels used to describe the unusual personality of Sir Richard Branson. There really is no one way to describe him.

His enterprise and original ideas have built him a business worth billions of dollars and made him

one of the best-known businessmen in the world.

The unusual personality of Richard Branson has turned Virgin Group into a business empire which currently owns more than 400 companies and which has more than 50,000 employees in 34 countries. The annual income of this empire exceeds USD 21 billion.

TOPIC Like A Virgin: secrets they won't teach you at business school.

### BODO SCHAFFER (Germany) Europe's No. 1 money coach, entrepreneur, author

Known in Germany as the Mozart of Finances, Bodo Schafer is currently acknowledged by many to be the best financial consultant in Europe. For more than twenty years he has been assisting millions in their search for happiness, success and financial prosperity. He maintains that training a person to build riches is the same as teaching him to swim, to ride a bike or to play tennis.

Bodo Schafer is the indisputable expert on

finances and becoming rich. His books and seminars have become irreplaceable guides to financial success. His best seller *The Road to Financial Freedom* has sold 10 million copies throughout the world.

Bodo Schafer returns to Lithuania after 5 years – to teach you how to become wealthy and how to make your money work in a successful way.

TOPIC The road to financial success: how to make your dreams come true by making full use of your abilities and the opportunities.

At FORUM ONE the world's TOP ENTREPRENEURS and LEADERSHIP EXPERTS WILL COACH YOU in strategies for success. Over the two days you'll have fun, meet a network of like-minded professionals, and leave with a plan on how to stay focused on your goals.

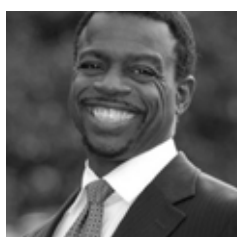

## **ILJA LAURS (Lithuania)**

Founder of GetJar - the biggest global independent platform of mobile applications

The European Business Press Association presented him with the "European Manager of the Year 2011 Award". The World Economic forum called him "The Technology Pioneer 2011". The Wall Street Journal has included Ilja Laurs in its list of the top 25 European leaders of technologies.

**TOPIC** Business in a New Way: how to win the game, when progress and new technology change the rules and underlying principles.

## **JOSEPH McCLENDON III (USA)**

Peak performance coach

For more than two decades, this doctor of neuropsychology and famous coach on peak performance has worked with numerous teams and personalities whose success stories are widely discussed in the mass media. Joseph McCleendon III is currently working at Mastery University along with its founder and famous global coach Anthony Robbins.

**TOPIC** Enjoying the road to business heights and happiness: how to rouse your inner potential and achieve peak performance.

## **PEEP VAIN (Estonia)**

Sales, leadership and personal effectiveness teacher

With 23 years of experience, Peep is one of the best known business coaches in the region, helping people and businesses unlock their potential. He is the founder of a leading training company Vain & Partners, author of "The Most Important Question" and the founding investor of sales pipeline management software Pipedrive.

**TOPIC** Creating Your Dream Sales Team: attitudes, actions and tools used by the salespeople who never give up and get great results for themselves and their company.

## **OWEN FITZPATRICK (Ireland)**

Expert on communication, charisma and influence, author

The catching presentations of charismatic speaker Owen Fitzpatrick inspire huge audiences. Owen Fitzpatrick and NLP founder Richard Bandler co-authored the best seller "Conversations with Richard Bandler". His academy The Charisma Bootcamp offers very popular lessons on leadership and performance.

**TOPIC** Leader's communication: when simple words influence others.

## **MICHAEL LINENBERGER (USA)**

Expert on productivity and time planning

Many times called "The Efficiency Guru" and quoted by numerous business journals, Michael Linenberger is the author of 5 best sellers. He gained the recognition of readers by his simple advice on how to plan a workday, how to free yourself from the trap of chaotic work and focus on the key tasks. The easy and simple productivity solutions offered by Michael Linenberger have helped thousands of people all over the world to take control of an endless list of tasks and free themselves from constant stress and tension.

**TOPIC** The trap of chaotic work: who steals our time and what the most efficient plan of a workday looks like.

Visit [www.ForumOne.lt/en](http://www.ForumOne.lt/en) and get the latest news about new Forum One speakers, who will give their unique insights into achieving success. Business leaders, personal development experts - you simply couldn't ask for better business mentors.

This is not a text book learning experience.

You will learn what they do NOT teach in universities and books - these experts will cut to the chase and get to the point of what DOES work and why.

## TOPICS

Two memorable days at "Forum One" with globally recognised businessmen and leadership experts will be a universal charge of knowledge and inspiration. The forum programme covers contrasting yet complementary topics:

- How you can model success to build your own business empire, step by step, which means you won't have to settle for what you have or keep making the same mistakes.
- Applying proven and tested Wealth Building strategies to achieve your lasting financial freedom, which means you will have a clear plan for your family, business and yourself.
- How to smash down and sweep aside all of your inner roadblocks that are holding you back from your business and career success, which means you get rid of all those nagging doubts and achieve career changing breakthroughs.
- How to easily avoid the 3 biggest killers of leadership success - stress, fear, and low self confidence, which means you can simply step aside when they confront you as a Leader.
- How to become an expert in communication and melt all resistance to your leadership influence, which means that customers, employees and stakeholders will all agree you have authority and solid judgement.
- How to harness the power of an inspiring vision and compelling leadership Mission, which means that everyone will share and live by the common goals, objectives and plans you will facilitate.
- How to squeeze every last valuable drop of productivity out of your day, which means you get more done in less time so you can get balance for yourself and family at last.
- How to Harness the technological revolution for your business gain and profit growth, which means you will start to leverage your time and money, speeding up your cashflow and growing your profitability.
- How to climb inside the minds of your consumers and build a powerful relevant brand based on the secrets that make them buy, which means you will be relevant, profitable and dominating your competition.
